Subject: (VIDEO) Lesson #4 - How to Create Amazing Card Campaigns

Hi <<First Name>>,

How's it going? Hope you're enjoying SendOutCards.

How would you like to AUTOMATICALLY send a series of greeting cards on a schedule, so that your cards go out like clockwork?

Sounds pretty cool. Well, if you're a businessperson that should really get you excited.

Here's how you do it...

Now you're probably going to want to send out more than 10 cards a month. If so, then you'll need to purchase more "points."

In our next training video, we'll show you exactly how to do that.

All the best,

How's it going? Today I want to share with you how to buy more cards.

Some SendOutCards users get confused about this.

Just because you might have a \$9.80 subscription and you're getting 10 cards a month to send, it doesn't mean you can't buy MORE cards!

If you want to buy more cards or stamps, here's how you do it...

Have an amazing day!
